Budget Disclaimer:

Disclaimer: The budget ranges provided in this chart are **estimates** and should be used for general guidance only. Actual costs may vary based on factors such as project scope, material selection, labor fees, location, and unforeseen expenses. We recommend consulting with a professional designer or contractor for a detailed and accurate project quote tailored to your specific needs.

What Impacts the Budget?

- **Materials & Customization:** Higher budgets allow for luxury materials and custom-designed pieces.
- **Size & Scale:** Larger rooms require more furniture and décor.
- **Designer Experience:** Established designers with a strong portfolio may charge more for their expertise.
- **Location:** Prices vary based on city, state, and accessibility of resources.
